

# DOWNLOAD BEFITTER ON ANDROID

## INSTRUCTION

- STEP 1** Create a Gleam account [here](#) and follow the instructions to be qualified for the event.
- STEP 2** Download APK file [here](#)
- STEP 3** BeFITTER app will be shown in APK, download and start experiencing it.
- STEP 4** On June 3rd 2022, beFITTER will officially launch the testnet, each participant will be credited a pair of NFT shoes to their wallet to START JOINING the challenge.

*The total distance users have traveled will be automatically synced to the app at the end of each day.*

NOTE: In Gleam, users need to provide the EXACT BEP-20 wallet address as wrong wallet address will lead to user not receiving NFT shoes. Therefore, the award will not be given, either.

**DON'T FORGET** we are hosting Airdrop on Gleam.io and giving out LIFETIME USAGE OF NFT SHOES in the mainnet for **100 lucky users!**

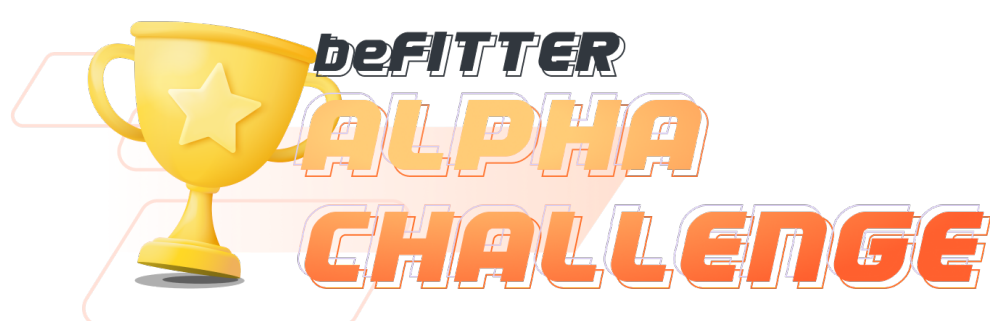

If you have any related concerns, contact beFITTER for answers
